RULES AND REGULATIONS OF MLSBOX

GBRAR provides, for the use of its Participants and Subscribers, a multiple listing service within the territory set forth in definitions below. The purpose of MLSBOX is to provide a Multiple Listing Service to Participants. An MLS is a means by which:

- (a) authorized Participants make blanket unilateral offers of compensation to other Participants (acting as subagents, buyer agents, or in other agency or non-agency capacities defined by law);
- (b) by which cooperation among Participants is enhanced;
- (c) information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers;
- (d) Participants engaging in real estate appraisal contribute to common databases; and
- (e) listing information may be correlated and disseminated in an orderly manner so Participants may better serve their clients and customers.

Entitlement to compensation is determined by the cooperating broker's performance as a procuring cause of the sale (or lease).

(d) Exclusive agency listings and exclusive right to sell listings with named prospects exempted shall be clearly distinguished from exclusive right to sell listings with no named prospects exempted when reported to MLS, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell listings with no named prospects exempted. Care should be exercised to ensure that the correct designations are made in the Listing Type and Prospects Excluded fields to clearly identify exclusive agency and exclusive right to sell listings with prospect reservations. Participants and Subscribers should contact the listing Participant or Subscriber to verify the identity of exempted prospects.

(e) The listing contract must include the Seller's authorization to submit the agreement to MLS.

(f) MLS shall not regulate the type of listings its Participants may take. This does not mean that MLS must accept every type of listing. MLS shall decline to accept open listings and net listings and it may limit its service to listings of certain kinds of property. But if it chooses to limit the kind of listings it will accept, it shall leave its Participants free to accept such listings to be handled outside MLS.

(g) All properties required by law to have the Property Disclosure Document Forms, shall submit those disclosures to MLS when the listing agreement is submitted, but no later than five (5) business days after the listing is submitted to the MLS.

- (v) **Rental:** includes single family homes as well as single unit townhouses, condominiums, manufactured or mobile homes or other types of single unit single family residences for lease;

The notification shall be retained in each listing until such time as:
 - only one of the competing listings is determined, in consultation with MLS's legal counsel, to be a valid contract, or listed on a type of listing contract accepted by MLS, OR
 - the priority between all valid conflicting listings is determined by MLS in accordance with the Rules and Regulations, OR
 - the conflict is resolved and reported to MLS, whichever occurs first.

Section 1.2 Details on Listings Filed with MLS

Property information, when filed with MLS by the listing Participant, shall be complete in every detail as outlined on the applicable MLS Property Profile sheet. Listings found to have been submitted for and/or entered into the wrong geographic area, or listings found to have incomplete mandatory items or incorrect data will be subject to a fine after notification of Participant or Subscriber if corrections have not been made within one business day following such notifications.

- a) Remarks in listing information submitted to MLS shall be objective information about the property and may not contain any names, branding, contact information

This applies to listings filed under Section 1 and listings exempt from distribution under Section 1.3 of the NAR model MLS rules, and any other situation where the listing broker is publicly marketing an exclusive listing that is required to be filed with the service and is not currently available to other MLS Participants.*

²¹ *Participants and their Authorized Affiliates must make every effort to ensure any new listing is not currently listed by any other broker:*

- *under any active status (Active, Contingent), OR*
- *under the Temporarily Off Market status, OR*
- *as an exempted listing (see 1.3c).*

²² *If the property is co-listed with another broker that does not hold participatory rights in this MLS, the listing may not be included in the MLS Compilation, as the MLS will not accept listings from non-members.*

Parking, Kitchen & Living areas. MLS staff is also authorized to remove any photos found to be in violation of 1.2.(b) above.

Section 1.2.1 Limited Service Listings

Listings of property filed with MLS under which the listing Participant will not provide one or more of the following services:

- arrange appointments for cooperating Participants to show the listed property to potential buyers (but instead gives cooperating Participants authority to make such appointments directly with the seller),
- advise the seller as to the merits of agreements of sale,
- participate on the seller's behalf in negotiations leading to the sale of the listed property,

must disclose that the listing Participant's services to the seller are "limited" in the listing data field specifically provided for that information ("Limited Service Y/N") and indicate which services will not be provided ("LA/LO Will Not") such information shall be disseminated to all MLS Participants and their Authorized Affiliates.²³

Section 1.3 Exempted Listings

Exempted Listings are listings of property, taken on listing contracts acceptable to MLS, in which the Participant has been directed by the Seller either:

- not to disseminate information about the property to other Participants of MLS, or their Authorized Affiliates, by means of the MLS Participant Database, OR
- not to offer compensation to any other Participant, OR
- not to cooperate with any other Participant.

Exempted Listings filed with MLS are assigned the visibility type of Office Exclusive.

(a) Exempted Listings shall be filed with MLS within three (3) business days after all necessary Seller signatures have been obtained.

(b) Listing data filed with MLS about Exempted Listings will not be disseminated to other Participants, or their Authorized Affiliates.

(c) When filed, an exempted listing must be accompanied by:

- an "MLS Listing Exclusion" form (provided by MLS) signed by the Seller, OR
- other certification acceptable²⁴ to MLS, signed by the Seller, that he does not desire the listing to be disseminated by MLS.

(d) In response to an address specific inquiry from a MLS Participant or Subscriber, MLS will disclose whether or not a listing for a property with that address has been filed as an Exempted Listing with MLS, but will not disclose any information about the listed property.

²³ This required disclosure is provided so potential cooperating Participants will be aware of the extent of the services the listing Participant will provide to the seller, and of any potential for cooperating Participants being asked to provide some or all of these services by the seller, prior to initiating efforts to show or sell the property.

²⁴ A clause or an election in a listing contract stating the Seller does not want listing data submitted to MLS, and/or any MLS, is not, in and of itself, certification acceptable to MLS.

(e) MLS Participants must distribute exempt listings within (1) one business day once the listing is publicly marketed. See Section 1.01, Clear Cooperation.

Section 1.4 Change of Status of Listing

Any change in listed price or other change in the original listing contract shall be made only when authorized in writing by the Seller and shall be filed with MLS within one (1) business day after the authorized change is received by the listing Participant.

Section 1.5 Withdrawal of Listing Prior to Expiration

Listings of property may be withdrawn from MLS by the listing Participant before the expiration date of the listing contract provided the broker has a written agreement between the Seller and the listing Participant canceling the agreement. Upon request, a Participant must promptly furnish a copy of the signed cancellation authorizing the withdrawal.

Sellers do not have the unilateral right to require MLS to withdraw a listing without the listing Participant's concurrence. However, when a Seller(s) can document that his exclusive relationship with the listing Participant has been terminated, MLS may withdraw the listing at the request of the Seller.

Section 1.6 Contingencies Applicable to Listings

Any contingency or conditions of any term in a listing shall be specified and noticed to the Participants.

Section 1.7 Listing Price Specified

The full gross listing price, stated in the listing contract, will be included in the information published in the MLS compilation of current listings, unless the property is subject to auction.

Section 1.8 Listing Multiple Unit Properties

All properties which are to be sold or which may be sold separately must be indicated individually in the listing and on the Property Profile sheet. When part of a listed property has been sold, proper notification should be given to MLS.²⁵

Section 1.9 No Control of Commission Rates or Fees Charged by Participants

MLS shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, MLS shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and non-participants.

Section 1.10 Expiration, Extension, and Renewal of Listings

Any listing filed with MLS automatically expires on the date specified in the listing contract unless renewed by the listing Participant and notice of renewal or extension is filed with MLS prior to expiration. If notice of renewal or extension is dated after the expiration date of the original listing, then a new listing must be secured

²⁵ *A listing having Multiple Properties may be entered as one listing or separately, per Seller's discretion. If the properties are to be listed together at a combined price, the listing agreement should include all properties included in the list price. If the properties may be sold individually or as a package, this arrangement should be specified in the listing agreement. When part of a listed property has been sold the listing shall be considered canceled and the remainder of the listing of multiple properties should be reported to the MLS.*

for the listing to be filed with MLS. It will then be published as a new listing. Any extension or renewal of a listing must be signed by the Seller(s) and be filed with MLS.

Listings filed with MLS shall bear a definite and final termination date as negotiated between the listing Participant and the Seller.

Section 1.12 Service Area

Only listings of the designated types of properties located within the service area of the MLS are required to be submitted to the service. Listings of property located outside the MLS's service area will be accepted if submitted voluntarily by a Participant but cannot be required by the service.

Section 1.13 Listings of Suspended Participants

When a Participant of MLS is suspended from the MLS for failing to abide by a membership duty (i.e., violation of MLS Bylaws, MLS Rules and Regulations, the Code of Ethics when applicable, Association Bylaws when applicable, or other membership obligation except failure to pay appropriate dues, fees, or charges), all listings currently filed with MLS by the suspended Participant shall, at the Participant's option, be retained in MLS until Sold, Withdrawn, or Expired, and shall not be renewed or extended by MLS beyond the termination date of the listing contract in effect when the suspension became effective.

When a Participant of MLS is suspended from the MLS and/or an Association of REALTORS® when applicable (except where MLS participation without Association membership is permitted by law) for failure to pay appropriate dues, fees, or charges, MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended Participant's listings from the MLS, the suspended Participant will be advised in writing of the intended removal so that the suspended Participant may advise his clients.

Section 1.14 Listings of Expelled Participants

When a Participant of MLS is expelled from the MLS for failing to abide by a membership duty (i.e. violation of MLS Rules and Regulations, the Code of Ethics when applicable, Association Bylaws when applicable, or other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently filed with MLS shall, at the expelled Participant's option, be retained in MLS until Sold, Withdrawn, or Expired, and shall not be renewed or extended by MLS beyond the termination date of the listing contract in effect when the expulsion became effective.

When a Participant of MLS is expelled from the MLS and/or an Association of REALTORS® when applicable (except where MLS participation without Association membership is permitted by law) for failure to pay appropriate dues, fees, or charges, MLS is not obligated to provide MLS services, including continued inclusion of the expelled Participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled Participant's listings from the MLS, the expelled Participant will be advised in writing of the intended removal so that the expelled Participant may advise his clients.

Section 1.15 Listings of Resigned Participants

When a Participant resigns from MLS, MLS is not obligated to provide services, including continued inclusion of the resigned Participant's listings in the MLS compilation of current listing information. Prior to any

removal of a resigned Participant's listings from MLS, the resigned Participant will be advised in writing of the intended removal so that the resigned Participant may advise his clients.

Section 1.16 Retention of Listing Agreements

Participants shall retain, in the Participant's office, copies of listing contracts, extensions of listing contracts and other material changes of listing contracts and, upon request, will furnish said copies to MLS within one (1) business day.

Section 1.17 Participation Not Transferable

Participation in MLS is on an individual basis and may not be transferred or sold to any corporation, firm or other individual. Any reimbursement due to a prepaid participation fee is a matter of negotiations between those transferring the business or determined by internal contract arrangement within the firm.

Section 1.18 Assignment of Listings

In the event listings are to be assigned from one Participant to another Participant, MLS will require written notification, signed by the original Participant, stating that a) they are releasing the listing to another Participant and b) written permission to effectuate the assignment has been secured from all Seller(s).

Section 1.19 Editing Listing Data

MLS reserves the right to edit listing data entered in free form fields (i.e., remarks fields, directions) or to perform programmatic updates related to the conversion of data fields in the MLS Participant Database authorized by the MLS Committee.

SELLING PROCEDURES

Section 2. Showings and Negotiations

Appointments for showings and negotiations with the Seller for the purchase of listed property filed with MLS shall be conducted through the listing Participant²⁶ except under the following circumstances:

- (a) The listing Participant gives the cooperating Participant specific authority to show and/or negotiate directly, or
- (b) After reasonable effort, the cooperating Participant cannot contact the listing Participant or his representative. However, the listing Participant, at his option, may preclude such direct negotiations by cooperating Participants.

Section 2.01 Showing Instructions

Showings of the Listed Property shall be made in accordance with showing instructions as published in the MLS and subject to

Section 2.1 Presentation of Offers

The listing Participant must make arrangements to present the offer as soon as possible, but no later than one (1) business day, or give the cooperating Participant a satisfactory reason for not doing so.

Section 2.2 Submission of Written Offers

The listing Participant shall submit to the Seller all written offers until closing, unless precluded by law, government rule, regulation, or agreed otherwise in writing between the Seller and the listing Participant. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing Participant shall recommend that the Seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers shall submit to the buyer all offers and counter-offers until acceptance and shall recommend that buyers obtain legal advice where there is a question about whether a pre-existing contract has been terminated.

Section 2.3 Right of Cooperating Broker in Presentation of Offer

The cooperating Participant (subagent, buyer agent or transaction licensee) or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing Participant. However, if the seller or lessor gives written instructions to the listing Participant that the cooperating Participant not be present when an offer the cooperating Participant secured is presented, the cooperating Participant has the right to a copy of the Seller's written instructions. None of the foregoing diminishes the listing Participant's right to control the establishment of appointments for such presentations.

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide as soon as practical, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented.

Section 2.4 Right of Listing Broker in Presentation of Counter-Offers

The listing Participant or his representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except where the cooperating Participant is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating Participant that the listing Participant not be present when a counter-offer is presented to the purchaser or lessee, the listing Participant has the right to a copy of the purchaser's or lessee's written instructions.

Section 2.5 Reporting Sales to MLS

Status changes, including final closing of sales and sale prices, shall be reported to MLS by the listing Participant within two (2) business days after they have occurred. If negotiations were carried on under Section 2(a) or (b) of these Rules and Regulations, the cooperating Participant shall report accepted offers and prices to

the listing Participant within two (2) business days after occurrence and the listing Participant shall report them to MLS within one (1) business day after receiving notice from the cooperating Participant.²⁷

Section 2.6 Reporting Resolutions of Contingencies

The listing Participant shall report to the MLS within twenty-four (24) hours that a contingency on file with the MLS has been fulfilled or renewed, or the agreement cancelled.

Section 2.7 Advertising of Listing Filed with MLS

Section 2.8 Sales in Process and Reporting Cancellations

Sales in process should be reported as Pending or Contingent not later than two business dates after both Buyer(s) and Seller(s) have signed an Agreement of Sale. The Contingent status may only be used with the contingency of the sale of another property and requires the listing Participant provide further explanation describing the contingency and the length of time involved. When reporting a listing as Pending or Contingent a projected closing date will be required. If the property has not closed by the projected closing date, then the listings projected closing date should be updated to reflect a new projected closing date.

The listing Participant shall report the cancellation of any agreement of sale, or resolution of contingencies on any agreement of sale between Seller and Buyer to MLS within one (1) business day. The listing shall be changed by the Participant to the applicable status.

Section 2.9

This section is intentionally left blank.

Section 2.10

This section is intentionally left blank.

Section 2.11 Optional Reporting of Closed Sales of Properties Not Subject to Listing Contracts Acceptable to MLS

A Participant who has participated in the sale of an unlisted property, a property listed subject to an open listing agreement, or a property listed by a real estate brokerage not participating in MLS may after the closing report information about the property and the sale to MLS for inclusion in its database. In order to report such information to MLS, a Participant must obtain written permission, from the Buyer or Seller to do so. Upon request, a Participant must promptly furnish a copy of the Buyer's or Seller's written permission to MLS.

²⁷ *The listing agreement of a property filed with MLS by the listing Participant should include a provision expressly granting the listing Participant authority to advertise; to file the listing with MLS; to provide timely notice of status changes of the listing to MLS; and to provide sales information including selling price to MLS upon sale of the property. If deemed desirable by MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by MLS to its Participants.*

Section 2.12 Notification of Agreement Signed

The listing Participant shall notify the cooperating Participant within one (1) day that the agreement of sale has been signed by all parties. Arrangements for distribution of the executed agreement of sale shall be made between the listing Participant and the cooperating Participant.

PROHIBITIONS

Section 4. Information for Participants Only

Any listing filed with MLS shall not be made available to any broker, real estate licensee, appraiser or firm who is not a Participant or Subscriber of MLS without the prior consent of the listing Participant.

Section 4.1 “FOR SALE” Signs

Only the “For Sale” sign of the listing Participant may be placed on a property.

Section 4.2 “SOLD” Signs

Prior to closing, only the “Sold” sign of the listing Participant may be placed on a property, unless the listing participant authorizes the cooperating (selling) Participant to post such a sign.

Section 4.3 Solicitation of Listing Filed with MLS

Participants shall not solicit a listing on property filed with MLS unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice and its Case Interpretations.²⁸

This Section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

Section 4.4 Use of Terms MLS, and Multiple Listing Service

²⁸ This Section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage Sellers to permit their properties to be filed with MLS by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration. This Section is also intended to encourage brokers to participate in MLS by assuring them that other Participants will not attempt to persuade the Seller to breach the listing contract or to interfere with their attempts to market the property. Absent the protection afforded by this Section, listing brokers would be most reluctant to generally disclose the identity of the Seller or the availability of the property to other brokers.

No Participant, Subscriber or Unlicensed Assistant shall, through the name of their firm, their URL's, their email addresses, website addresses or in any other way represent, suggest or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, Subscribers and Unlicensed Assistants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases or that consumers or others are able to search MLS databases available only to Participants & Subscribers.

Section 4.5 Use of Property Listing Content

Participants and/or Subscribers shall not use property listing content from a prior listing of a property for a current listing of the property without the express consent of the owner of proprietary rights in the listing content. Property listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, remarks, document attachments, and narratives related to the listed property.

Section 4.6 Degrading of Listing Content

In accordance with Section 11 of these Rules & regulations, Participants have authorized and consented to the MLS's use of content submitted. Subsequent to submission of a Listing, no Participant or Authorized Associate may purge, delete or otherwise remove elements of that listing that would substantially degrade the value of that listing, based on changes in status of the listing or any other condition.²⁹

DIVISION OF COMMISSIONS

Section 5. Compensation Specified on Each Listing

The listing Participant shall specify, on each listing filed with MLS, the compensation offered to other MLS Participants for their services in the sale/lease of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating Participant's performance as the procuring cause of the sale (or lease) or as otherwise provided for in this rule. The listing Participant's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

For the purposes of Section 5 of these Rules & Regulations, offers of compensation made through the MLS shall be applicable to brokers who are participants of another MLS which has a reciprocal compensation agreement with this MLS.³⁰

²⁹ *This rule is intended to preserve the MLS's interest in the copyrighted compilation and the value of the listing for use as a comparable. It does not apply to the practice of otherwise updating the listing in accordance with rules and policy.*

³⁰ *Compensation to brokers who are members of this MLS is to be entered in fields designated as "Compensation Amount" and "Compensation Type." Compensation to brokers who are members of another MLS that has a reciprocal compensation agreement with this MLS is to be expressed in the fields designated as "Reciprocal Compensation Amount" and "Reciprocal Compensation Type." These amounts may be the same or different than compensation expressed to members of this MLS. It is only permissible to enter a compensation amount of "zero" in the Reciprocal Compensation Amount field.*

In filing a property with MLS, the Participant is making a blanket unilateral offer of compensation to other MLS Participants and shall, therefore, specify on each listing filed with MLS the compensation being offered to other MLS Participants. Specifying the compensation on each listing is necessary because the cooperating Participant has the right to know what his compensation shall be prior to his endeavor to sell.³¹

The compensation specified on listings filed with MLS shall appear in one of two forms. The essential and appropriate requirement by a Multiple Listing Service is that the information to be published shall clearly inform the Participants as to the compensation they will receive in cooperative transactions, unless advised otherwise by the listing broker in writing, in advance of submitting an offer to purchase. The compensation specified on listings published by MLS shall be expressed in one of the following forms:

- 1) As a percentage of the gross selling price.
- 2) As a definite dollar amount.

The listing Participant's obligation to compensate any cooperating broker as the procuring cause of sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing Participant and in exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing Participant to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing Participant to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing Participant know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing Participant communicated to cooperating Participants that the commission established in the listing agreement might not be paid.

The listing Participant retains the right to determine the amount of compensation offered to other Participants which may be the same or different.³²

This shall not preclude the listing Participant from offering any MLS Participant compensation other than the compensation indicated on any listing published by MLS provided the listing Participant informs the other Participant, in writing, in advance of submitting an offer to purchase, and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in the Service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price, or a definite dollar amount.

(Note 1) MLS shall make no rule requiring the listing Participant to disclose the amount of total negotiated commission in his listing contract, and publication of the total negotiated commission on a listing which has been submitted to MLS by a Participant is prohibited. MLS shall not disclose in any way the total commission negotiated between the Seller and the listing Participant.

³¹ *Nothing in this or any other MLS rule precludes a listing Participant and a cooperating Participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction.*

³² *The listing broker may, from time to time, adjust the compensation offered to other MLS Participants for their services with respect to any listing by advance published notice by modifying the compensation offered on the listing in MLS so that all Participants will be advised.*

(Note 2) The listing participant may, from time to time adjust the compensation offered to other MLS participants for their services with respect to any listing by advance published notice to the service so that all Participants will be advised.

(Note 3d) MLS shall make no rule requiring disclosure of the division or split of the total negotiated commission (i.e. the amounts or ratio of the total negotiated commission to be retained by the listing Participant and offered to other MLS Participants). Publication of the division or split of the total negotiated commission on a listing which has been submitted to MLS is prohibited. MLS shall not disclose in any way the division or split of the total negotiated commission between the listing Participant and other MLS Participants. MLS shall make no rule on the division of commissions between Participants and real estate brokers not participating in MLS. This should remain solely the responsibility of the listing Participant.

(Note 4) Listing Participants may communicate to potential cooperating Participants that gross commissions established in listing contracts are subject to court approval; and that compensation payable to cooperating Participants may be reduced if the gross commission established in the listing contract is reduced by a court. In such instances, the fact that the gross commission is subject to court approval and either the potential reduction in compensation payable to cooperating Participants or the method by which the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating Participants prior to the time they submit an offer that ultimately results in a successful transaction.

(Note 5) Nothing in these MLS rules precludes a listing Participant and a cooperating Participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction.

(Note 6) MLS must give Participants the ability to disclose to other Participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale, and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple Listing Services may, as a matter of local discretion, require Participants to disclose potential short sales when participants know a transaction in a potential short sale. IN any instance where a Participant discloses a potential short sale, they may as a matter of local discretion, also be permitted to communicate to other Participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperating participants. All confidential disclosures and confidential information related to short sales, if allowed by local rules, must be communicated through dedicated fields or confidential “remark” available eon to Participants and Subscribers.

Section 5.0.1 Disclosing Potential Short Sales

Participants must disclose potential short sales³³ to other Participants when reasonably known to the Listing Participant. When disclosed, Participants may, at their discretion, advise other Participants whether and how any reduction in the gross commission established by the listing contract, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating Participants.

³³ *As used in these rules, short sales are defined as a transaction where title transfers; where the sale price is insufficient to pay the total of all liens and costs of sale; and where the Seller does not bring sufficient liquid assets to the closing to cure all deficiencies.*

Section 5.1 Participant as Principal

If a Participant or any licensee (or licensed or certified appraiser) affiliated with a Participant has any interest in a property, the listing of which is to be disseminated through MLS, that person shall disclose that interest when the listing is filed with MLS and such information shall be disseminated to all MLS Participants.

Section 5.2 Participant as Purchaser

If a Participant or any licensee (including licensed and certified appraisers) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed in writing to the listing Participant not later than the time an offer to purchase is submitted to the listing Participant.

Section 5.3 Dual or Variable Rate Commission Arrangements

The existence of a dual or variable rate commission arrangement (i.e., one in which the Seller agrees to pay a specified commission if the property is sold by the listing Participant without assistance and a different commission if the sale results through the efforts of a cooperating Participant; or one in which the Seller agrees to pay a specified commission if the property is sold by the listing Participant either with or without the assistance of a cooperating Participant and a different commission if the sale results through the efforts of a Seller) shall be disclosed by the listing Participant (“Special Sale Type” = “DVRC”) as required by MLS. The listing Participant shall, in response to inquiries from potential cooperating Participants, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale that results through the efforts of the Seller.

If the cooperating Participant is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease.

Section 5.4 Bonus Compensation

Any conditions which exist which would prevent the payment of the bonus must be fully disclosed.

The bonus must be offered by the Participant (NOT THE OWNER) as part of the compensation, thus making the Participant responsible for payment of bonuses, not the owner.

Any conditions or contingencies of the bonus must be clearly disclosed in the “Terms of Bonus” section so that all Participants and Subscribers have a clear understanding of what it will take to earn the bonus compensation.

Bonuses may only be offered to “SELLING AGENCY” or “SELLING BROKER” (not selling agent), in accordance with state law which prohibits payment of commission or compensation to salespeople, except by their employing broker.

SERVICE CHARGES

Section 6. Service Fees and Charges

The Board of Directors shall have authority to establish dues, fees and charges for participation in MLS and to modify same from time to time.

Participant shall register with MLS the names of all licensees having licenses issued to Participant or names of licensed or certified appraisers associated with the Participant. Participants shall notify MLS, in writing within three (3) business days, of any new Subscriber in the Participant's office or any Subscriber that has left the Participant's office.

Participants are financially responsible for the payment of all fees related to Subscribers (licensees or licensed or certified appraisers) associated with the Participant.

However, MLSs must provide Participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS or CIE where the principal broker participates. MLSs may, at their discretion, require that broker participants to sign a certification for nonuse of its MLS services by their licensees, which can include penalties and termination of the waiver if violated.

Upon application and approval by MLS, Subscribers affiliated with a Participant may be exempted from the Subscriber Fee requirement. Certification must include the following: (a) a statement that certifies that the Subscriber does not utilize MLS information or services in any form (including MLS's tax data information), (b) that the Participant and Subscriber acknowledge that should an exemption be granted and a violation of the exemption term occurs, the exemption status will be immediately revoked and the Participant and Subscriber shall be subject to a fine plus the Subscriber Fees for the periods during which the Subscriber engaged in such activity. Such Subscriber will not thereafter be eligible for an exemption from fees under this paragraph.

MLS reserves the right to apply a re-activation fee to any inactive Participant or Subscriber who wishes to reinstate his/her membership.

COMPLIANCE WITH RULES

Section 7. Compliance with Rules/Authority to Impose Discipline

By becoming and remaining a Participant or Subscriber in MLS, each Participant and Subscriber agrees to be subject to the Rules and Regulations and any other MLS governance provision. MLS may, through administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- (a) letter of warning
- (b) letter of reprimand
- (c) attendance at MLS orientation or other appropriate courses or seminars which the Participant or Subscriber can reasonably attend taking into consideration cost, location, and duration
- (d) appropriate, reasonable fine not to exceed \$15,000
- (e) suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- (f) termination of MLS rights, privileges, and services with no right to reapply for a specified period of time not to exceed three (3) years.

A Participant (or user/Subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a Participant (or user/Subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of MLS's rules during the probationary period may, at the discretion of the MLS Committee, result in

the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance.

Section 7.1 Compliance with Rules

For failure to pay any service charge, fee or fine within one month of the date due, and provided that at least ten (10) days' notice has been given, MLS reserves the right to suspend services to either a Subscriber or Participant until service charges, fees, fines, reinstatement fees, late fees, and any other applicable fees, are paid in full.

- (a) For failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply.
- (b) MLS may, from time to time, adopt policies consistent with these Rules and Regulations and such policies shall have the same effect, when adopted, as the Rules and Regulations.

Section 7.2 Applicability of Rules to Users and/or Subscribers

Non-principal brokers, sales licensees, appraisers and others authorized to have access to information published by MLS are subject to these Rules and Regulations and may be disciplined for violations thereof provided the user or Subscriber has agreed to terms of use acknowledging that access to and use of MLS's information is contingent on compliance with the Rules and Regulations. Further, failure of any user or Subscriber to abide by the Rules and/or any sanction imposed for violations thereof can subject the Participant to the same or other discipline. This provision does not eliminate the Participant's ultimate responsibility and accountability for all users or Subscribers affiliated with the Participant.

Section 7.3 Email Required

All Participants and Subscribers are required to maintain a valid e-mail address recorded in the MLS system. It is the responsibility of the Participant or Subscriber to ensure that they are able to receive e-mail messages from the MLS. Electronic communication to his email address and/or through the electronic memo system of the MLS shall be considered as notice.

MEETINGS

Section 8. Meetings of MLS Committee

The meetings of the MLS Committee (the "Committee") shall be held in accordance with the provisions of the GBRAR's Bylaws.

ENFORCEMENT OF RULES

Section 9. Consideration of Alleged Violations

The Committee (Board of Directors) shall give consideration to all written complaints having to do with violations of the rules and regulations, or violations determined by MLS's own investigation, having to do

with an alleged violation of these Rules and Regulations. By becoming, and remaining a participant, each participant agrees to be subject to these rules and regulations, the enforcement of which are at the sole discretion of the Committee (Board of Directors).

Section 9.1 Violations of Rules and Regulations

If the alleged offense is a violation of the rules and regulations of the service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the Multiple Listing Service Committee, and if a violation is determined, the committee may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the professional standards committee of the association in accordance with the bylaws and rules and regulations of the association of REALTORS® within twenty (20) days following receipt of the notice of violation.

If, rather than conducting an administrative review, the multiple listing committee has a procedure established to conduct hearings, the decision of the multiple listing committee may be appealed to the GBRAR Board of Directors of the association of REALTORS® within twenty (20) days of the tribunal's decision being rendered. Alleged violations involving unethical conduct shall be referred to the association's grievance committee for processing in accordance with the professional standards procedures of the association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the board of directors of the association of REALTORS®.

Section 9.2 Complaints of Unethical Conduct

Notwithstanding the foregoing, all complaints of unethical conduct shall be referred to the respondent's Association of primary membership or the Association of REALTORS® in which the respondent's principal place of business is in its territorial jurisdiction for appropriate action in accordance with the professional standards procedures established in that Association's Bylaws. (Note: For arbitration of disputes see Section 15.)

Section 9.3 Complaints of Unauthorized Use of Listing Content

Any participant who believes another participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.3 of the MLS rules.

Upon receiving a notice, the committee (Board of Directors) will send the notice to the participant who is accused of unauthorized use. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the committee (Board of Directors) that the use is authorized. Any proof submitted will be considered by the Committee (Board of Directors), and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the Committee (Board of Directors) determines that the use of the content was unauthorized, the Committee (Board of Directors) may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of the Committee's (Board of Director's) determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law.

Section 9.4 MLS Rules Violations

MLS participants may not take legal action against another participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules.

CONFIDENTIALITY OF MLS INFORMATION

Section 10. Confidentiality of MLS Information

Any information provided by MLS to the Participants shall be considered official information of MLS. Such information shall be considered confidential and exclusively for the use of Participants and real estate licensees affiliated with such Participants and those Participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such Participants.

Section 10.1 MLS Not Responsible for Accuracy of Information

The information published and disseminated by MLS is communicated verbatim, without change by MLS, as filed with MLS by the Participant. MLS does not verify the information provided and disclaims any responsibility for its accuracy. Each Participant agrees to hold MLS harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides.

OWNERSHIP OF MLS'S COMPILATION³⁴ AND COPYRIGHT

Section 11. Authorization

By the act of submission of any property listing content³⁵ to MLS the Participant represents and warrants that he or she is fully authorized to license the property listing content as contemplated by and in compliance with this section and these rules and regulations, and also thereby does grant the MLS license to include the property listing content in its copyrighted MLS compilation and also in any statistical report or "comparable" report. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property. Inclusion in the MLS compilation entitles the MLS to further include the listing content in any other use authorized by the MLS. In the event that a MLS copyright legend appears on any report or document issued by MLS, Participant shall not alter or remove such copyright legend. Any rights in

³⁴ The term "MLS Compilation", as used in Section 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the Participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatever.

³⁵ Property listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property.

the content of the Listing shall remain with the Participant providing the information.

Each participant who submits listing content to the MLS agrees to defend and hold the MLS and every other participant harmless from and against any liability or claim arising from any inaccuracy of the submitted listing content or any inadequacy of ownership, license, or title to the submitted listing content.

Section 11.1

All right, title, and interest in each copy of every multiple listing service compilation created and copyrighted by the Greater Baton Rouge Association of REALTORS® and in the copyrights therein, shall at all times remain vested in the Greater Baton Rouge Association of REALTORS®.

Section 11.2 Display

Each Participant shall be entitled to lease from MLS a number of copies of each MLS compilation sufficient to provide the Participant and each person affiliated as a licensee (including licensed or certified appraisers) with such Participant with one copy of such compilation. The Participant shall pay, for each such copy, the rental fee as set by MLS. Participants shall acquire by such lease only the right to use the MLS compilations in accordance with these Rules.

Section 11.2 Return of MLS Data

MLS reserves the right, upon withdrawal, suspension or termination of Participation, to require each Participant and Subscriber to immediately return to MLS all copies of listing data (including images), compilations, and MLS active and comparable sale books.

Section 11.3 Grant of License

Participant represents and warrants that he owns the copyright for such property listing content or has secured the necessary rights and licenses to such property listing content and grants to MLS a non-exclusive license to use, copy, reproduce, modify, transform, distribute, create derivative works from, place a MLS copyright legend upon, and to integrate and combine such property listing content into the MLS database, distribute to syndication websites, and include the property listing content in its MLS compilation copyright submissions and also in any statistical report or “comparable” report or publish the content anywhere the MLS content is intended to appear. The Participant or Subscriber agrees to indemnify MLS in the event of any litigation related to the reproduction of the content by the MLS or other authorized entities.

Section 11.4 Property Listing Content Copyright and Indemnification

All right, title, copyright and ownership interest in each copy of every Multiple Listing compilation and image created and copyrighted by MLS shall at all times remain vested in MLS. Copyright and ownership interests in property listing content submitted by Participants, shall remain with the Participant; however, Participant licenses MLS to reproduce, distribute and transform the property listing content and place a MLS copyright legend on the property listing content. Participant shall not alter or remove MLS’s copyright legend from any image except that Participant may remove said legend from Participant’s own images for use in print media in which the Participant has control. Except for images taken by MLS photographers, Participants and/or Subscribers shall not use images from a prior listing of a property for a current listing of a property without the express consent of the owner of proprietary rights in the images. Participant agrees to defend, indemnify, and hold harmless MLS and its other Participants and Subscribers from any and all damages or losses, including attorney’s fees and litigation costs or expenses arising from claims made against MLS and/or its other

Participants and Subscribers by any third party based upon MLS's and/or its other Participants and Subscribers dissemination or display of any property listing content submitted by the Participant.

USE OF COPYRIGHTED MLS COMPILATIONS

Section 12. Distribution

Participants shall at all times maintain control over and responsibility for each copy of any MLS Compilation leased to them under Section 11, and shall not distribute any such copies to persons other than Subscribers who are affiliated with such Participants as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and any other Subscribers as authorized pursuant to the governing documents of MLS. Use of information developed by or published by MLS is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "Participation" or "Membership" or any right of access to information developed by or published by MLS where access to such information is prohibited by law.

Section 12.1 Display

Participants, and those persons affiliated as licensees with such Participants, shall be permitted to display the MLS Compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing and able buyers for the properties described in said MLS Compilation.

Section 12.2 Reproduction

Participants or their affiliated licensees shall not reproduce any MLS Compilation or any portion thereof except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS Compilation, and distribute to prospective purchasers, a reasonable³⁶ number of single copies of property listing data contained in the MLS Compilation which relate to any properties in which the prospective purchasers are, or may, in the judgment of the Participants or their affiliated licensees, be interested. Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest, or in which the participant or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

Nothing contained herein shall be construed to preclude any Participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the Participant.

³⁶ *It is intended that the Participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the participant is seeking to promote interest. The term reasonable, as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchaser's decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent and thus reasonable in number, shall include, but are not limited to, the total number of listings in the MLS compilation, how closely the types of properties contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.*

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the Participant and those licensees affiliated with the Participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparable or statistical information from utilizing such information to support valuations on particular properties for clients and customers. However, only such information that the MLS has deemed to be nonconfidential and necessary to support the estimate of value may be reproduced and attached to the report as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations.

Any MLS content in data feeds available to Participants for real estate brokerage purposes must also be available to Participants for valuation purposes, including automated valuations, MLS must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLS may require execution of a third-party license agreement where deemed appropriate by the MLS. MLS may require Participants who will use such data feeds to pay the reasonably estimated cost incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these Rules and Regulations.

Section 12.3 Limitation on Password Use

Participants and Subscribers shall not permit any person to use his or her login name and password.

In the event a Participant (or Subscriber) retains the services of an individual or company who will require access to MLS data, the Participant shall first contact MLS in writing, stating the purpose of the access, certifying that the access and the acquired data is within acceptable use, and the expected duration of such access. Said requests shall be signed by the Participant (and Subscriber when applicable) and the individual utilizing the access. Approval for such use will reside with the MLS Committee.

Section 12.4 Penalties for Violation of Password Use

In the event the password of a Participant or Subscriber is used in violation of Section 12.3 above, such Participant or Subscriber shall be liable to MLS for all loss or damage caused by such use and shall be subject to a fine and other sanctions as provided in these Rules and Regulations. The fact that the Participant or Subscriber did not grant consent to the use of the password shall not be a defense.

USE OF MLS INFORMATION

Section 13. Limitations on Use of MLS Information

Use of information from MLS compilation of current listing information, from the association's statistical report, or from any sold or comparable report of the association or MLS for public mass-media advertising by an MLS participant or in other public representations, may not be prohibited. **Data obtained from any sold or comparable report shall be restricted to aggregated data for statistical analysis. Participants and, at their discretion affiliated subscribers, are allowed to use property data where they were the listing or selling agent.**

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

Based on information from GBRAR/MLS for the period <date> through <date>. This information was extracted on <date>.

CHANGES IN RULES AND REGULATIONS

Section 14. Changes in Rules and Regulations

Amendments to the Rules and Regulations of MLS shall be by consideration and approval by a two-thirds vote of the members of the MLS Committee, subject to approval of the Board of Directors of GBRAR, in accordance with the provisions of the Bylaws of GBRAR. Notice of changes in these Rules and Regulations shall be deemed given when transmitted either by facsimile, electronic communication, U.S. Mail or overnight courier to the Participant.

Section 15. This section is intentionally left blank.

MISCELLANEOUS PROVISIONS

Section 16. Agent Transfers

In the event a Subscriber transfers from one Participant to another, all the Subscriber's Contacts shall be transferred along with the Subscriber, unless the former Participant notifies MLS, in writing in advance, that said Contacts are not to be transferred with the Subscriber.

ORIENTATION

Section 17. Orientation

Any applicant for MLS participation and any Subscriber affiliated with a MLS Participant who seeks access to and use of MLS-generated information shall be required to complete an orientation program devoted to MLS's Rules & Regulations, bylaws, computer training related to MLS information entry and retrieval and the operation of MLS prior to access being provided.

INTERNET DATA EXCHANGE (IDX)

Section 18. IDX Defined

IDX affords MLS participants the ability to authorize limited electronic display and delivery of their listings by other participants via the following authorized mediums under the participant's control: websites, mobile apps, and audio devices. As used throughout these rules, "display" includes "delivery" of such listing.

Section 18.1 Authorization

Participants' consent for display of their listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a participant refuses on a blanket basis to permit the display of that participant's listings, that participant may not download, frame or display the aggregated MLS data of other participants. Even where participants have given blanket authority for other participants to display their listings on IDX sites, such consent may be withdrawn on a listing-by-listing where the seller has prohibited all Internet display or other electronic forms of display or distribution.

Section 18.2 Participation

Participation in IDX is available to all MLS participants who are REALTORS® who are engaged in real estate brokerage and who consent to display of their listings by other participants.

Section 18.2.1

Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring and ensuring compliance with applicable rules and policies.³⁷

Section 18.2.2

MLS participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines.

Section 18.2.3

Listings, including property addresses, can be included in IDX displays except where a seller has directed their listing brokers to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs) or other electronic forms of display or distribution.

Section 18.2.4

Participants may select the listings they choose to display through IDX based only on objective criteria including, but not limited to, factors such as geography or location ("uptown," "downtown," etc.), list price, type of property (e.g., condominiums, cooperatives, single-family detached, multi-family), cooperative compensation offered by listing brokers, type of listing (e.g., exclusive right-to-sell or exclusive agency), or the level of service being provided by the listing firm. Selection of listings displayed through IDX must be independently made by each participant.

Section 18.2.5

Participants must refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every twelve (12) hours.

Section 18.2.6

³⁷ *Sharing of the IDX Database (or any portion thereof) with any third party not authorized by the MLS is prohibited. MLS requires a licensing agreement (provided by MLS) between MLS, the IDX Participant, the IDX Subscriber (when applicable), and any third party vendor who hosts or maintains a IDX website or who hosts, maintains or downloads the MLS IDX Database (or any portion thereof). The IDX Database is copyrighted by MLS.*

Except as provided in the IDX policy and these rules, an IDX site or a participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity.

Section 18.2.7

Any IDX display controlled by a participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, “control” means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules.

Section 18.2.8

Any IDX display controlled by a participant or subscriber that:

- (a) allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- (b) displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller’s listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by participants’. Except for the foregoing and subject to Section 18.2.9, a participant’s IDX display may communicate the participant’s professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller.

Section 18.2.9

Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 18.2.10

A Participant or Subscriber may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the Participant or Subscriber holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display.

Section 18.2.11

Participants shall not modify or manipulate information relating to other participants listings. MLS participants may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not

restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields.

Section 18.2.12

All listings displayed pursuant to IDX shall identify the listing firm in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data.³⁸

Section 18.3 Display

Display of listing information pursuant to IDX is subject to the following rules:

Section 18.3.1

Listings displayed pursuant to IDX shall contain only those fields of data designated by the MLS. Display of all other fields (as determined by the MLS) is prohibited. Confidential fields intended only for other MLS participants and users (e.g., cooperative compensation offers, showing instructions, property security information, etc.) may not be displayed on IDX sites.

Section 18.3.1.1

The type of listing agreement (e.g., exclusive right to sell, exclusive agency, etc.) may not be displayed.

Section 18.3.7

³⁸ **Displays of minimal information (e.g., "thumbnails", text messages, "tweets", etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the device's application.*

All listings displayed pursuant to IDX shall show the MLS as the source of the information. Displays of minimal information (e.g. “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must subsequently be delivered electronically to the registered consumer performing the property search of linked to through the device’s application.

Section 18.3.8

Participants (and their affiliated licensees, if applicable) shall indicate on their websites that IDX information is provided exclusively for consumers’ personal, non-commercial use, that it may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing, and that the data is deemed reliable but is not guaranteed accurate by the MLS. The MLS may, at its discretion, require use of other disclaimers as necessary to protect participants and/or the MLS from liability. Displays of minimal information (e.g. “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must subsequently be delivered electronically to the registered consumer performing the property search of linked to through the device’s application.

Section 18.3.9

The data consumers can retrieve or download in response to an inquiry shall be determined by the MLS but in no instance shall be limited to fewer than one hundred (500) listings or fifty percent (50%) of the listings available for IDX display, whichever is fewer.

Section 18.3.10

The right to display other participants’ listings pursuant to IDX shall be limited to a participant’s office(s) holding participatory rights in this MLS.

Section 18.3.14

Participants are required to employ appropriate security protection such as firewalls on their websites and displays provided that any security measures required may not be greater than those employed by the MLS.

Section 18.3.15

³⁹ If “sold” information is publicly accessible, display of “sold” listings is not prohibited.

Participants must maintain an audit trail of consumer activity on their website and make that information available to the MLS if the MLS believes the IDX site has caused or permitted a breach in the security of the data or a violation of MLS rules related to use by consumers.

Section 18.3.16

Deceptive or misleading advertising (including co-branding) on pages displaying IDX-provided listings is prohibited. For purposes of these rules, co-branding will be presumed not to be deceptive or misleading if the participant's logo and contact information is larger than that of any third party. Section 18.4 Service Fees and Charges

Service fees and charges for participation in IDX shall be as established annually by the Board of Directors.

VIRTUAL OFFICE WEBSITES (VOW)

Section 19.1

(a) A Virtual Office Website ("VOW") is a Participant's Internet website, or a feature of a Participant's website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant's oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant may, with his or her Participant's consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the Participant's oversight, supervision, and accountability.

(b) As used in Section 19 of these Rules, the term "Participant" includes a Participant's affiliated non-principal brokers and sales licensees – except when the term is used in the phrases "Participant's consent" and "Participant's oversight, supervision, and accountability". References to "VOW" and "VOWs" include all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an Affiliated VOW Partner ("AVP") on behalf of a Participant.

(c) "Affiliated VOW Partner" ("AVP") refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant's supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.

(d) As used in Section 19 of these Rules, the term "MLS Listing Information" refers to active listing information and sold data provided by Participants to the MLS and aggregated and distributed by the MLS to Participants.

Section 19.2

(a) The right of a Participant's VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.

(b) Subject to the provisions of the VOW Policy and these Rules, a Participant's VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g.

Internet Data Exchange (“IDX”).

(c) Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant’s VOW.

Section 19.3

(a) Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the Participant must take each of the following steps:

(i) The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

(ii) The Participant must obtain the name of and a valid email address for, each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.

(iii) The Participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The Participant must also assure that any email address is associated with only one user name and password.

(b) The Participant must assure that each Registrant’s password expires on a date certain but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, user name, and current password of each Registrant. The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant’s password.

(c) If the MLS has reason to believe that a Participant’s VOW has caused or permitted a breach in the security of MLS Listing Information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, email address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.

(d) The Participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to, a “Terms of Use” provision that provides at least the following:

- i. That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;
- ii. That all information obtained by the Registrant from the VOW is intended only for the Registrant’s personal, non-commercial use;
- iii. That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;
- iv. That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant’s consideration of the purchase or sale of an individual property;

- v. That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.

(e) The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

(f) The Terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

Section 19.4

A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

Section 19.5

A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of MLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Section 19.6

(a): A Participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

(b) A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision:

Seller Opt-out Form

1. Check one:

- a. I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.
- b. I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.

2. I understand and acknowledge that if I have selected Option a., consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their searches.

Initials of Seller

(c) The Participant shall retain such forms for at least one year from the date they are signed, or one year from the date the listing goes off the market, whichever is greater.

Section 19.7

(a) Subject to subsection (b), a Participant's VOW may allow third-parties (i) to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (ii) display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.

(b) Notwithstanding the foregoing, at the request of a seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 19.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A Participant's VOW may notify its customers that a particular feature has been disabled "at the request of the seller."

Section 19.8

A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within 48 hours following receipt of a communication from the listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 19.9

A Participant shall cause the MLS Listing Information available on its VOW to be refreshed at least once every three (3) days.

Section 19.10

Except as provided in these rules, the NATIONAL ASSOCIATION OF REALTORS® VOW Policy, or any other applicable MLS rules or policies, no Participant shall distribute, provide, or make accessible any portion of the MLS Listing Information to any person or entity.

Section 19.11

A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 19.12

A Participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, cooperative compensation offered by listing broker, and whether the listing broker is a REALTOR®.

Section 19.13

A Participant who intends to operate a VOW to display MLS Listing Information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with these Rules, the VOW Policy, and any other applicable MLS rules or policies.

Section 19.14

A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

Section 19.15

A Participant's VOW may not make available for search by, or display to, Registrants any of the following information:

- a. The compensation offered to other MLS Participants.
- b. The type of listing agreement, i.e., exclusive right to sell or exclusive agency.
- c. The seller's and occupant's name(s), phone number(s), or e-mail address(es).
- d. Instructions or remarks intended for cooperating brokers only, such as those regarding showings or security of listed property.

Section 19.16

A Participant shall not change the content of any MLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment MLS Listing Information with additional information not otherwise prohibited by these Rules or by other applicable MLS rules or policies as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS Listing Information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields.

Section 19.17

A Participant shall cause to be placed on his or her VOW a notice indicating that the MLS Listing Information displayed on the VOW is deemed reliable but is not guaranteed accurate by the MLS. A Participant's VOW may include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability.

Section 19.18

This section is intentionally left blank.

Section 19.19

A Participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than 500 current listings and not more than 500 sold listings in response to any inquiry.

Section 19.20

This section is intentionally left blank.

Section 19.21

A Participant may display advertising and the identification of other entities (“co-branding”) on any VOW the Participant operates or that is operated on his or her behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not to be deceptive or misleading if the Participant’s logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

Section 19.22

A Participant shall cause any listing displayed on his or her VOW that is obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing.

Section 19.23

This section is intentionally left blank.

Section 19.24

Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.

Section 19.25

Where a seller affirmatively directs their listing broker to withhold either the seller’s listing or the address of the seller’s listing from display on the Internet, a copy of the seller’s affirmative direction shall be provided to the MLS within 48 hours.

INDEMNIFICATION OF MLS

Section 20. Indemnification of MLS

Participants in MLS shall have no claim or cause of action against MLS by reason of any error or act of MLS or its officers, directors or employees relating to the refusal to accept or the acceptance of any listing information supplied to MLS by the Participant and the Participant shall defend, indemnify and hold MLS harmless against all claims based upon listings or listing information supplied to MLS by the Participant.

LIMITATION OF LIABILITY

Section 21. Limitation of MLS’s Liability

Except for gross negligence and willful misconduct, Participants for themselves, their agents and employees, release MLS, its officers, directors, employees, agents, vendors, contractors, and subcontractors from all claims whatsoever for loss or damage including claims for lost profits and indirect or consequential damage, arising

from or in any way pertaining to any form of multiple listing service, product or feature, offered to Participants by MLS or by its agents, vendors, contractors and subcontractors. Participant agrees to defend, indemnify and hold MLS harmless from any such claims derived by, through or under them.

NAR POLICIES

Section 22. NAR Policies Not Addressed in These Rules and Regulations

Any matter or issue not specifically addressed in these Rules and Regulations shall be governed by the existing policies of the National Association of REALTORS® as from time to time amended.

MLS PROCEDURES FOR ACCESS

Section 23.1 REALTOR® Access to MLS

1. Participant/Subscriber must fill out an application for Membership in the GBRAR or be a REALTOR® member of any other Board of REALTORS®.
2. Participant/Subscriber must pay the initiation fee as set by the GBRAR.
3. Participant/Subscriber must take the MLS Orientation Course.
4. MLS access will be available after payment of all fees and completion of the Orientation Course.

Section 23.2 Unlicensed Assistant Access to MLS

1. The assistant applicant must complete an “Unlicensed Assistant” request form, which must be signed by the assistant applicant, the Subscriber (if applicable) and the Participant. This form will also include an acknowledgement of activities that an unlicensed assistant can and cannot perform.
2. This account is solely to be used by paid unlicensed assistants employed by a Participant, Subscriber or Firm and the MLS may request legal verification of employment such as a W-2, 1099 or W-9 before establishing such an account.
3. All Assistant Accounts must be issued in the name of the individual using the login.
4. Assistants will have an access type equal to that of the MLS Participant or Subscriber requesting the assistant account be established.
5. The Participant assumes responsibility for billing and all activity on the MLS associated with this account and responsibility for compliance with all rules and regulations of the MLS associated with that account.
6. Participant/Subscriber must pay all MLS fees for Assistant Accounts as set by the Board of Directors, including an initial fee to cover the costs of the orientation or training.
7. Assistants must complete the designated Orientation program.

Section 23.3 Gaining Maintenance Rights

Maintenances rights are defined as the ability to submit a listing, edit the contents of a listing, and institute changes of a listing’s status or price through the MLS. By default, all Participants and those subscribers that have been designated by the Participant in the system as “Office Administrators” will receive maintenance rights. By default, every Subscriber may add photos, documents and map their own listings, but they do NOT have the ability to perform listing maintenance. If a Participant does not wish to perform listing maintenance for all of their listings, they may request a maintenance account for Office Administrator Access or they may choose to grant rights to individual subscribers to perform maintenance on their own listings. In order for the

MLS to grant maintenance rights to an individual subscriber the subscriber must:

1. Provide written authorization from the Participant requesting that subscriber receive maintenance rights through the MLS Maintenance Request Form
2. The subscriber must also receive MLS approved training on listing input and maintenance before such access will be granted.

Failure to receive listing input training from the MLS may result in loss of maintenance rights on the system.

Granting a subscriber maintenance rights to the system does not release the Participant from any liability or responsibility for the information contained in the listing. The MLS also reserves the right to withdraw maintenance rights in the event of repeated rule violations related to listing maintenance.

LOCKBOX & KEY RULES & FINE SCHEDULE

Active GBRAR MLS Listings where Lockbox service is requested and authorized by a Seller and indicated in the showing instructions of the MLS as having a “SUPRA” Lockbox, must have a SUPRA lockbox accessible to GBRAR Keyholders⁴⁰. This rule does not require the use of a lockbox, nor preclude the use of additional lockboxes authorized by the Seller, including combination boxes and lockboxes from other MLS’s or Associations.

Section 24.2.3 Use Restrictions

Holder shall use the Key only for the purposes of gaining authorized entry into real property on which a GBRAR SUPRA Lockbox has been installed pursuant to an agreement with the Seller of such real property. Use of a Key to gain entry to a property for any purpose other than the exercise of authority or responsibility derived from the agency or other legally recognized brokerage relationship granted by the owner in the Listing agreement or offer of cooperation by the Agent, or from an appraisal relationship with the owner or contract buyer, is specifically prohibited. - b) GBRAR may summarily suspend a Holder’s use of a Key or the Lockbox System if Holder or DR is arrested for any felony or a misdemeanor relating to the real estate business or poses a potential risk to clients, customers, or other real estate professionals. In the exercising this right, GBRAR shall afford such due process as it deems in its discretion, fair and feasible in light of the circumstances. GBRAR shall seek to minimize any period of suspension prior to an opportunity for a hearing on the issue of

whether the Holder engaged in the conduct for which Holder was arrested and whether such conduct relates to the real estate business or poses a potential risk to clients, customers or other real estate professionals.

- c) GBRAR may consider the following factors, along with any other relevant information, in determining any action taken with respect to items a and b. above:

 7. evidence of present fitness to hold a Key.

The Holder shall promptly report any such theft to the appropriate law enforcement agency. If the lost Key is found and returned to GBRAR in good working order, the cost of the replacement Key will be refunded, less administrative fee(s). If the Key is lost or stolen, the Holder agrees that the Key will immediately be deactivated by GBRAR.

This authority may be established in the Listing Contract or in a separate document created specifically for the purpose. - c. Lockboxes that have been programmed for CBS (Call Before Showing) should be so indicated in the MLS Listing and in the programming of the box itself. In no case shall CBS codes be published or distributed. CBS codes are confidential and should only be provided on a case-by-case basis according to the needs of the specific transaction.
- d. Keyholders shall not remove contents of the keybox for purposes other than showing the home and shall promptly return the contents to the keybox upon exiting no later than leaving the property. The keybox and/or contents shall not be removed from the property without prior consent of the listing agent.
- e. No one shall enter a listed property without authorization. All appointments with the seller of listed property must be authorized through ShowingTime or the listing agent/broker, or as otherwise indicated in the REALTOR® Remarks of the MLS.
- f. Once a licensed agent/broker grants access to the property to any third party, they MUST remain onsite while the third party they have granted access to the property is on the premises. Third parties may include, but are not limited to, clients, client's family and friends, appraisers, inspectors, contractors, roofers, etc. If a listing agent obtains authorization from the seller or responsible party, they may allow third parties to remain on the premises without the presence of a licensed agent.
- g. **Unauthorized access to a property or Keybox is strictly prohibited. In the event there is evidence that an unauthorized access violation has occurred, punitive action may be issued in accordance with Section 25 of these rules. Showings are approved for a specific person. It is a violation for anyone to show the property on behalf of, or in place of, someone else that has been approved for the showing without prior authorization.**
- h. When leaving a property, it is the responsibility of the Agent to ensure that the property key is replaced in the lockbox and that the lockbox is properly closed. If a lockbox is found not properly closed, the agent should contact the Listing Broker immediately. The Listing Broker/Agent should read the lockbox. The last person found to have entered the property (provided this was not the agent to report the violation) will be held responsible.
- i. Care should be taken when entering a property by use of a Key. The property should be left in the same condition in which it was found. It is common courtesy for an agent (even when previewing) to leave a business card in the property. Should an agent find a property left in an unsatisfactory condition it should be immediately reported to the Listing Participant.
- j. Lockboxes shall be removed within 48 hours of listing expiration, termination or settlement. Lockboxes not removed within 48 hours of listing expiration, termination or settlement may be deemed abandoned, at the sole discretion of GBRAR. Upon receipt of a complaint regarding the abandonment of a Keybox at a property, GBRAR will verbally notify the Keybox holder that a complaint has been filed. The Keybox holder shall have 48 hours from the notification to remove the Keybox from the property. If the Keybox is not removed within such 48 hour period, the shackle code of that Keybox shall be released to the keyholder who filed the complaint (or the representative of the person(s) who filed the complaint), and that Keybox shall be transferred into such Keyholder's name upon the completion and receipt by GBRAR from such keyholder of an appropriate transfer form.

Section 24.2.17 Multiple Keys

Only one Lockbox Key access device or software may be issued to a GBRAR MLS Participant or Subscriber who subscribes to the SUPRA Lockbox Service.

Section 24.2.18 Termination of Service

A Keyholder may terminate the lease at any time provided all fees are paid to date, and all other obligations as outlined in the Keyholder's contract have been met. The Keyholder must notify the GBRAR, in writing, of their desire to terminate service. Keyboxes may ONLY be transferred to other MLS Participants or Subscriber Members for use within the Electronic Keybox System. Keybox owners must complete and submit the Keybox Transfer Form available online.

CITATION & FINE POLICY AND SCHEDULE OF PENALTIES

Section 25

This Citation & Fine Policy has been established in accordance with MLS Rules and Regulations and Lockbox Rules. Fines will be issued in accordance with this policy, and are subject to change upon approval by the Board of Directors. This policy is not all-inclusive, may not reflect violations of the Code of Ethics, and does not replace Professional Standards Enforcement.

Section 25.1 Summary of Citation and Fine Process

A violation of the MLS or Lockbox Rules may be reported by way of an “Error Report” form, direct member report, use of citation manager software or staff investigation. If the violation is one that can be corrected, the MLS shall send a Notice of Violation-Warning (NV-W) to the violating individual (“Violator”), and a copy will be sent to the responsible Broker Participant (“Responsible Participant”), and /or Office Manager. In accordance with MLS rules it is the responsibility of the users to maintain valid e-mail addresses on the system, and delivery to an e-mail is sufficient notice.

Violators must correct the violation outlined in the NV-W in the time specified in the NV-W. If the violation is not corrected by the deadline specified in the NV-W the MLS sends a Notice of Violation and Fine Assessment (NVFA) to the Violator and a copy of the Notice to the Responsible Participant and/or Sales Manager. If the violation of the MLS Rules is one that cannot be corrected, an NV-W is not sent to the Violator and Responsible Participant. Instead, the NVFA will be sent to the Violator (with a copy to the Responsible Participant and/or Sales Manager).

If, within twenty (20) calendar days of the Receipt Date of NVFA, the fine is not paid or a Request for Hearing (RH) with a \$250 filing fee is not received, the MLS privileges of the Violator and/or the Responsible Participant will be suspended. In the event of a suspension, services will not be restored until the fine has been paid and the offense is corrected (if it is one that can be corrected).

Section 25.2 Reporting a Violation

Reports of violations can be made by:

- Faxing to (225) 761-2099
- E-mail submitted to GBRAR or MLS Staff
- E-mail submitted through the designated error or corrections link in the MLS
- E-mail generated through the MLS Committee’s administrative review of listings through the Citation Manager software

Reports must include the following information:

- Name and office of the alleged Violator

- Nature of the violation(s) (be as specific as possible, i.e. when it occurred, the MLS #, etc.)
- Reporter's name and contact information is FOR VERIFICATION PURPOSES ONLY.

Section 25.2 Responsibility for Violations and Fines

The violating Responsible Participant, Subscriber ("Violator") shall have responsibility for correcting the violation(s) and paying all fines. The Responsible Participant through whom the Violator has access to the MLS shall be ultimately responsible for all fines, should Violator fail to pay.

Section 25.3 Nonpayment Results in MLS Suspension

Failure to pay a fine, unless a hearing is requested as set forth below, will result in suspension of MLS privileges of the Violator and/or Responsible Participant.

Section 25.4 Notice of Violation

For purposes of this policy, MLS shall send Notice of Violation-Warning (NV-W) to the violating individual. If the Violator is a Subscriber or clerical user, a copy of the notice will be sent to the Responsible Participant.

Section 25.5 Calculating Time Periods

Time to submit or report under the MLS Rules & Regulations is counted as business days. Time to correct violations is counted as business days. Time for payment of a fine or filing a request for a hearing is calculated as calendar days.

Section 25.6 Due Date for Fines

Fines are due within twenty (20) calendar days of the Receipt Date set forth on the NVFA. Receipt is presumed two (2) business days after mailing or one (1) business day after facsimile or e-mail transmission. If a notice is sent by more than one method, the earlier Receipt Date applies.

Section 25.7 Multiple & Repeat Violations

If a NVFA includes multiple violations, fines will be assessed on a per listing basis. Repeat violations may be dealt with as specified in the fine schedule.

Section 25.8 Right to Dispute Notice of Violation and Fine Assessment

The violator may pay a \$300 filing fee and request a hearing, and if the citation is upheld, the fine amount in the NVFA may be increased and additional sanctions may be imposed. FAILURE TO TIMELY SUBMIT A COMPLETED REQUEST FOR HEARING (RH) FORM WITH THE \$300 FILING FEE WILL RESULT IN THE CITATION BEING DEEMED FINAL WITHOUT ANY FURTHER NOTICE, AND THE VIOLATOR'S MLS PRIVILEGES MAY BE SUSPENDED FOR THE PRESCRIBED PERIOD.

Section 25.9 Request for Hearing

To dispute a Notice of Violation and Fine Assessment (NVFA), the Violator may request a hearing before the Professional Standards Committee.

The Violator must first correct the violation and submit a Notice of Correction if the violation is one which can be corrected. Then, within twenty (20) calendar days of the Receipt Date of the NVFA, the Violator may submit a Request for Hearing (RH) form with a \$300 filing fee.

The RH form must state the specific ground(s) for the hearing and include all facts and/or reasons for the request. The grounds for a hearing are one or more of the following:

- Factual dispute regarding the alleged violation(s) such as misapplication of the MLS Rule(s) cited.
- Contention that there has been a violation of procedural due process.

(NOTE: FAILURE TO RECEIVE ANY NOTICE IS NOT GROUNDS FOR A HEARING)

If the grounds set forth are proper grounds for a hearing, GBRAR will set a hearing in accordance with the NAR Code of Ethics and Arbitration Manual. The violator may, but is not required to, attend the hearing.

In the event the hearing panel determines that the violation(s) occurred, the \$300 filing fee will be retained as a cost for administration of the hearing and will not apply toward the payment of any fines. The fine in the NVFA OR SUCH INCREASED FINE AS IS IMPOSED BY THE HEARING PANEL will be payable in full by the date noticed in the decision, and the Violator may be required to comply with ADDITIONAL DISCIPLINE AND SANCTIONS AS MAY BE IMPOSED BY THE HEARING PANEL in accordance with the NAR Code of Ethics and Arbitration Manual. The sanctioning guidelines are set forth on the back of the RH form.

In the event the hearing panel determines that no violation(s) occurred, the filing fee will be returned. In the event the hearing panel determines that there has been a procedural due process violation, the hearing panel may refund the filing fee and either return the matter to MLS staff or dismiss the citation.
